

British Gymnastics – National Competitions - Judging

BG Trampoline Judging Co-ordinator: Mike Phillipson E mail:trampolinejudging@hotmail.com

Officials Letter

You have been selected to officiate at the National Trampoline & DMT Championships at the NIA , Birmingham on Saturday 24th and Sunday 25th July.

ALL officials **Including Reserves** **MUST** check in to **Mike Phillipson** on Saturday morning when you arrive at the hall. **You will be able to get your pass from Mike on Friday evening (from about 6.00 onwards) or at a special desk for official on the Saturday morning.**

Below is some important information regarding the official role you will be performing on the day of the competition so please read it carefully:

Judges' Uniform: You will be provided with a Nationals Tie for Men and a Nationals Cravat for ladies.

Men Navy Trousers, White shirt, Navy or BG Tie, Black shoes, Navy blazer or jacket

Ladies Navy Trousers or Skirt, White collared blouse, Black shoes without heels (if you are chair), Navy blazer or jacket

Recorders' Uniform similar to above

Marshal Suitable sports clothing (ie tracksuit and trainers)

If you do not have the correct uniform for the role you are fulfilling please have this sorted out before the Nationals. If you do not have correct uniform on the day you will not officiate and your club may have its entry withdrawn. Please do not put yourself and us in this position on such a prestigious occasion.

Please ensure that you are fully aware of how to do the job you have been asked to do. It is the club's responsibility to ensure that you know how to do this job, not the competition organiser or judging co-ordinator. **On the spot training at the competition is unacceptable.** If you cannot carry out your duties in a suitably efficient manner you may be removed from that position and your club could be fined.

Marshals

Need to be at the competition and **report in to Mike** just after the warm ups have begun (or earlier if suitable)

Your role is very important as you keep the competition moving (or not!!) Your job is to make sure the competitors are ready for warm up and competition and that they have spotters (2 for warm Up and competition only is needed as the trampolines are sited together) Your role is also to keep the competition area clear. [The coaches are the worst at getting in the way!!] You need a pencil or pen with you and a clip board will help.

Recorders

You need to **report in** to the judging co-ordinator at the beginning of the first warm ups. You need pen or pencil. Once the computer data is altered to give the correct jumping list, the manual sheets can be adjusted and the competition can begin. Please make sure as the computer recorder that you input the judges for that panel onto the score sheet.

Judges

Need to **report in to Mike** at the beginning of warm ups and listen for announcements for trial judging. You do not have to wait for the chair of the panel to begin trial judging, you can sit on the panel and practice as soon as you wish. Please wear the correct uniform as detailed above and judge efficiently and fairly, taking note of comments from the chair of judges who is there to help you. Don't forget your pen or pencil.

Chair of Judges

Please get your panel assembled in time to get plenty of trial judging done. If officials are not in place at the requested time please liaise with me and we will have reserves ready to judge. Please run your competition exactly to the timetable and ensure your competitors have the correct length of time for warm up. Once you get started please move the competition on at a reasonable pace. Please be responsible for keeping your competition area free of extra people who should not be there (especially around the recording area.)

I will give you judge feedback/record sheets please fill them in and return them to me at the end of your competition.

Thank you

Team Managers it is YOUR RESPONSIBILITY to distribute this letter to all your officials

Coaches and Performers attending the National Championships

I have listed just a few points below which need to be followed to ensure we have a fantastic Nationals.

Spotters (Either official spotters or club ones)

- Must be wearing the correct 'sports' kit and TRAINERS. If you haven't got trainers on do not come and spot, you will be sent away from the trampolines. Performers must also wear trainers for spotting. This includes Friday evening's training sessions as well as the competition.
- We have a strict NO JEWELLERY policy which includes coaches and performers, please follow this policy.

Gymnasts

- Please make sure your difficulty cards are fully completed, they are asterisked where necessary and the difficulty values and total is written on the card. Write in either FIG code or English.
- Listen to announcements, listen to the Marshals and be ready for your turn.
- Follow the spotter's dress code above if you are spotting, especially re trainers.
- When you have finished your routine, please move away from the competition area as quickly as possible so the next competitor can get ready - then you can have your congratulations and hugs from your mates.

Coaches

- Please make sure your gymnast's difficulty cards are fully completed, they are asterisked where necessary and the difficulty values and **total** is written on the card. Write in either FIG code or English.
- Please follow the dress code for spotters including the trainers and the no jewellery rule we have.
- Please take your performer away from the competition area once they have finished their turn as quickly as possible so the next gymnast can be ready to start.
- If you wish to speak to the Difficulty Judges concerning a difficulty calculation please do so through the Chair of Judges for that panel. Do not go directly to the Difficulty Judges.
- Please stay away from the recorders tables at all times.
- Please respect the decisions of and marking of performance by the judges.
- Please remember you are responsible for your gymnasts.

Enjoy your weekend
